### Reopening measures

- Have an appointment
- Come alone\* maximum 5 minutes before than the appointment
- Mandatorily use the sanitizing gel at the entrance
- If needed, hang up your own vestuary
- Albeit not compulsory, mouth masks are at your disposal
- Keep 1.5 meters distance
- Payment is uniquely cashless
- We disinfect the working space in between each client
- If you have symptoms such as rhinitis, runny nose, sneezing, sore throat, light cough, or fever, stay at home and make a new appointment
- For your safety and ours we deploy sanitary material. To support this investment, we charge € 2 on any service as long as these safety measures are in place.

(\*) Kids and disabled persons must be accompanied by **one** adult.
